

BAPTIST AMBASSADORS FOR CHRIST

"WE ARE AMBASSADORS FOR CHRIST." II COR. 5:20

Dear Pastor & Friends:

August, 2023

Junior age camp - 99. 15 saved

Teen camp - 104. 3 saved

Here are the photos of the last two weeks of camp during part of July and first of August. There are still **three** weeks to go - singles camp and two family camps. We are thrilled to see what God continues to do at Mount Calvary Baptist Camp.

They have struggled already with two heat waves and another is on the way this week. But we see God working in the heat as well. He provided a **great team** of helpers who did all they could to cook, teach, preach and guide to make it a memorable time for all. During the teen camp there were around 30 who publicly announced that they had made life-changing decisions during the week. The theme that week was the second coming of Christ. The theme in Jr. camp was Who Am I?

We know we talk a lot about camps during the Summer but we don't want you to get the wrong impression. From the beginning, our thrust has always been and always will be the local church. Without local churches who send their youth and then lead them to be faithful and teach and train them, then we are defeating our purpose. We have **more** local churches participating than ever before. **We never have camp on Sunday!** We close down on Saturday morning and send everyone home and tell them to be in church the next day!

We have a **special prayer request** for our son-in-law Jack. He was diagnosed with prostate cancer back in the Spring and is now looking into further treatments. Thank you for praying for him.
