

BAPTIST AMBASSADORS FOR CHRIST

“We are ambassadors for Christ” II Cor. 5:20

Dear Pastor & friends:

August-September, 2018

Summer camps are over for 2018. In a total of 4 weeks of camps, there was a combined attendance of 346 - down some from last year but with many spiritual blessings. A total of 18 accepted Christ as Saviour. In the Junior camp (ages 10-13), fellow missionary Bill Williams taught the story of John and Betty Stamm who were martyred in China. At the invitation the altar was filled with Juniors who told the Lord they were willing to serve Him in some way in the future. In Senior camp (ages 13-19), 7 young men came forward expressing their willingness to preach or pastor should the Lord decide to call them. A large group of girls consecrated their lives and showed their desire to be a future help-meet to a pastor or missionary if the Lord so leads. Please pray for these important decisions that were made.

Our purpose in passing the following information on to you is to give you a general insight into the religious atmosphere in Spain at this time. Many of the nationals that came to Spain from Chile, Argentina, Brazil, Ecuador, Perú, Colombia etc. are returning to their homeland. Our churches were being filled with them, but now they are gone. This helps spell out the norm for the work in Spain right now and can help you understand the lack of spiritual interest in religious matters throughout this country. The struggling Seminaries and Bible Institutes here are just that - struggling to teach and train Spanish nationals to carry on the work and with a very limited number of students. The Catholic seminaries are experiencing the same thing that we are. So, what do we do? We continue to do the same thing we have done for the past 45+ years - preach Christ crucified. There is no quitting or turning back in the matter of evangelism in Spain as well as in these other countries. God give us workers! We are so thankful for the decisions made in camps this summer. Please take a look at our Spanish website listed below for a panoramic view of all that went on.
