

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

August, 2024

As always, our prayer letters in the months of summer talk about the camp ministry. We are happy to report that so far **289** campers have attended and still two weeks to go. There have been a total of **26** who publicly accepted the Lord as Saviour.

A lot has been going on since our letter the first of July. I, (Carolyn) had been having some really weak spells and thought maybe it was just the heat. However after a visit to the doctor, discovered that my heartbeats had dropped to only 40. After a total checkup, it was determined that I needed a **pacemaker**. It really took us by surprise and two days later the surgery was done. Quite fast for Spanish healthcare! A week later had a small problem with the pacemaker that was solved in a couple of days and so far so good. We are so thankful for the doctors that God put in our way. At the present, I am undergoing tests to see if I have the **H.Pylori bacteria**. Because of my kidney transplant. I don't have a lot of resistance to all kinds of germs.

We are now in our **fourth** heat wave of the summer - 100-104 degrees here where we live. Most of the homes here don't have air-conditioning but we finally decided to go ahead and buy a portable air conditioner at least for the living room. It blew a hole in our budget, but we know the Lord will provide however He sees fit. For the past 4 weeks we have had to train two new men who help me with Lavon. Not an easy job but the Lord has helped and provided just who we needed. Also we received news this week of the death of **Bro. Gary Shadle**, the father of our grandkids Eric and Amanda who are missionaries in Ethiopia. God worked it all out as He always does and they had just arrived in USA to leave their son in college when it happened. It is amazing how He knows how to move us and lead us always at the right time and in the right way. Also please remember to pray for our daughter Joy who had to have some micro surgery on her knee that is still not totally healed. **GOD IS GOOD!**
