Dear Pastor & Friends:

December, 2019

In Spain when someone wants to know how old you are they ask "¿Cuántos años tienes?" which literally translated means "How many years do you have?". After you reach a certain age it seems to turn into "How many years do I have **left**?" Several times during the past year I have asked myself this question. I don't know, but God does and our times are definitely in His hands. He has allowed me to celebrate my 83rd birthday this week and we thank Him for each day that He allows us to live and serve Him. We enjoyed a meal out with our family at one of our favorite restaurants (barbecued ribs)!

This past Sunday, Pastor Angel baptized 4. It is always a tremendous blessing to move the baptismal waters. There were 3 teens and one adult: Lila, Veronica, Julio and Juan Pablo. Two of the teens were saved at camp.

The Mount Calvary Baptist Camp continues to be used of God to save souls and be a blessing to the local Baptist Churches in Spain. We have some problems with large cracks in the walls and floor of our pre-fab building we call the "tabernacle". This is mostly caused by movement in the earth where the building sits. We do not have the funds to do this repair work which will be around \$5000 and we really would hope to get it done before the summer. If you feel you could help with this project, just mark any gifts "camp repairs" and it will be put to good use.

We pray God will bless each one during this special time and give you a blessed Christmas and fruitful New Year. We depend so much on your prayers and financial help and know God is able to supply every need in your life and ministry,
