This past Sunday marked the 25th anniversary of the Iglesia Bautista La Cruz in the city of Guadalajara. We had been trying to build a church here for over two years. We finally organised with 7 members! Two of them were us, two more a missionary family who were working with us and three Spaniards! God has blessed in an unusual way. The church now has its own pastor (one of the 3 original members) and it is self-supporting with an attendance of between 70 and 80. Many times we were tempted to give up, but by faith we have seen the results. They presented us with a beautiful plaque made of a special black stone that is found here (pizarra) thanking us for these years. And speaking of thankfulness, we enjoyed our Thanksgiving meal with Jack and Joy and also one of the me who help care for me (José). He usually won't eat with us but that day consented after seeing the menu. José goes to church with us but is still not saved so we ask that you pray for him. Our health has been better these last few weeks - no hospitals! We pray the Lord will bless you and yours during this Christmas season. Your love for us and your faithful support will never be taken for granted.
