Dear Pastor & Friends,

February, 2018

Here are a few pictures to show you what has been happening during the past few weeks: Yes, those are icicles hanging from the roof at our camp. The cold weather & snow continues to hinder our work there. Spring is on the way!

Our son David (pastor in Alexandria, Va.) came for a short visit. We had not been with him in four years so it was a real personal blessing. He brought the morning message in our church. Everyone asked why he spoke Spanish so well - we explained that was his first language. He was born when we were in Uruguay

Each year one of the churches near Madrid holds a ladies' fellowship for this area. There were close to 130 ladies who gathered at a hotel for a special time of teaching and fellowship with friends from other churches. Carolyn was asked to lead in the opening prayer and took the occasion to thank so many who had prayed for her during this past year when she was having some medical problems.

There were ten ladies from our church who were able to attend this year. They all gave testimonies of the blessings received as the main speaker gave a message on the 23rd psalm. Last week we had a married couple's meeting at the church with 10 couples participating - one was a dentist and his wife who came for the first time.

Your offerings and prayers are appreciated so much.
