

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

February, 2019

S Each year around the end of January, we have a meeting with the pastors and missionaries who work with and support the ministry of **Mount Calvary Baptist Camp**. This will be our **41st year** of camps. Several of the Spanish churches have been asking us to do an additional week of camps for the college and career group . After it was put to a vote, it was decided to have a 4 day camp for ages 20-35 during the month of August. This will mean a total of **5 different weeks** for this summer. Spanish young people seem to marry and leave home at a much older age than the majority of this age group in the USA. We feel it is necessary and pray that it will be beneficial for each one who attends.

P There are now **15 Spanish churches** who support the camp on a monthly basis plus a few individuals who from time to time send special offerings. The camp ministry is **debt free** and we have been able to break even each year even though we keep the prices low in comparison with other groups. However, not much is left over for repairs and maintenance. Last year we had to buy a new refrigerator and a new large gas stove. We have **some things that are in bad need of repair**, such as plumbing, wiring, road work, and general repairs on dorms and buildings. The prefab building we call the "tabernacle" where classes and preaching services are held has bad cracks that are showing up due to ground movement and need to be taken care of right away.

N Our physical presence at camp this year will be limited due to the health issues that we have, but it is still a vital part of our ministry and our life. Perhaps you might consider sending in a **one-time gift** to help with some of these repairs. Any amount would be appreciated and put to good use. Just mark it as "**camp repairs**" and we assure you it will be used for that. Thank you for your interest and prayers.
