

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends

Feb.-Mar., 2021

They say the older you get, the faster time flies. We are completely in agreement with this statement. However, we will be happy to see this Winter pass soon. Spring is supposed to start next week (?) Now we have more snow in the forecast for this weekend!

Spain is still under restrictions as far as opening our church. At least now we can have up to **38 adults** in the auditorium rather than only 30 as before. Still everyone has to wear a mask, the **children** all have to meet in another room (not the auditorium) and the **young people** have to meet in the church annex about half a block away. We are advised not to stand out in the park in front of the church just to talk etc., so not a lot of time for the fellowship we all enjoy so much. We have a special app now so those who want to come can reserve a seat. When will it end? Only God knows.

Meanwhile there have been some **changes** at church. The pulpit, instruments etc. have been moved to a different area due the **social distancing** we are obliged to follow. The pastor decided to take advantage of the fact that since we can only have a few people at a time, to re-do our **benches** (repaint the frames, new seats and backs, etc.) so this project is underway right now. After many years of paying off the debt on the loan, the church is debt free and we are able to do some more repairs which will include repainting the auditorium.

This week we had the annual **camp meeting** on Zoom to decide what can be done this summer in the camp ministry. We don't want to even think about having to do another virtual camp on internet. There is some maintenance being done at camp as the weather permits, but we are totally **unsure** about the summer. Please make this a matter of prayer. Please pray also for the few unsaved visitors at church that we have had during the pandemic. We long to see people saved and growing in the Lord but it has been a tremendous **dry season** as far as results. But you have **always been there** for us with your generous offerings and special prayers for our health, our family, our church etc. A **special thanks** to those who sent in extra offerings to help with our added health expenses.
