

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

January, 2019

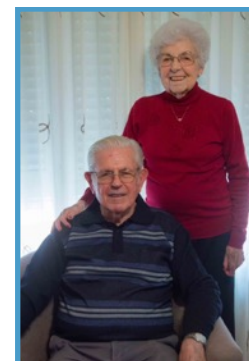

S We live in an **apartment building** that has 5 floors - our apartment is on the 4th floor. We share this building with 17 other families. Each one has received from us a personal invitation to visit our church or attend something special. So far, only one family responded - and then they moved away. A group from our church decided to sing some **Christmas carols** in different homes during the holidays. They came to our apartment and sang two in our living room, two out in the hallway where there are three other apartments, and two more down in the gated entrance. We felt sure some **neighbors** would come out and listen but not so. We really did enjoy their effort and hope to do it again next year.

P
A The **Christmas** activities were blessed of the Lord. The church choir did the cantata on Sunday evening the 23rd. We are happy to report that we broke our previous attendance record with **91 people** in the service. The following Sunday evening, the youth and junior age group did another shorter cantata "Born To Die". We were not able to get a good count but there were between **65 - 70** people there - quite a few that had not come the previous week. There were around 10 different visitors - mostly unsaved. We pray God will do a work in some heart and that we can reap the fruit one day. Meanwhile - we will **keep sowing** as He commands.

I
N We shared a special time during the holidays with the part of our family that is close by and with others by phone, email and Skype who are scattered all around the world serving the Lord. All those cards and letters from you, our friends and supporters, were appreciated as well. We are already looking forward to Spring to be able to get back out to camp to do maintenance and finish up several projects. Today the province of Guadalajara had the lowest temperature in the entire country: 12° F. **Not very tropical!**
