Dear Pastor & Friends:

July-Aug., 2020

For the past 40 years, our summers in Spain have been dedicated to our youth camp ministry. There is no doubt that the summer of 2020 will go down in history as our camp ministry has turned into a **VIRTUAL CAMP MINISTRY**. In other words, all the camps have been done on Zoom with each church who participated doing their own camp in their own church, yet all connected. Everyone had to wear masks, keep social distancing etc. Even now as we compose this letter to you, the youth camp is in progress with 72 campers and 15 churches

Is this the same as a regular camp? Definitely not, but as we continue to face the Covid 19 pandemia, it was either this or nothing. We truly believe that after all is said and done, God will bring glory to His name. His word is being preached and taught in spite of it all. Two weeks from now, there will be a Family Retreat also on Zoom with each one in their local church facility. All of us look forward to getting back to normal next summer.

In the midst of all this, Carolyn was finally able to have the surgery on her arm to close off the arteria-venosa fistula where she used to receive dialysis. A very large aneurism had formed and could have caused major problems. What we thought was a simple procedure however, turned into quite an ordeal for her and she was close to a month without being able to use her left arm (no computer!) etc. She also had some nerve damage but it is healing. **God is good.**
