

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

June-July, 2018

Rather than being late with our June letter and early with our July letter, we decided to combine them both into one in order to bring you up to date on what has been happening and continues to happen here in Spain. Around one hundred people from different area churches helped us these past two Saturdays to clean up the camp and get it ready for children's camp beginning next week, July 9. We have received some special funds from supporting churches to help pay for getting our entrance road into the camp back in shape after so much rain.

June has always been a special month for us. Sixty-three years ago on June 7th, 1955, Carolyn and I were married. We are so thankful for all these years together that God has given us. Eighty-two years ago on June 12, 1936, Carolyn was born. She now celebrates three birthdays - her birth date, her "new birth" birth date, and the day she received her kidney transplant almost six years ago and received new life. God's blessings have been so abundant upon both our lives.

Our grandkids, Eric and Amanda Shadle, missionaries in Ethiopia, were able to come for a short visit in June also, along with our two "greats", Kayla and Aaron. It was a special time for us all and appreciate their effort to visit us from time to time since we don't have any plans to visit them in Ethiopia right now! We were able to

celebrate Amanda's birthday at our home making them some of their favorite food (like fried cornbread...). We praise the Lord for our faithful family and their dedication to serving Him.

As we write this letter to you today, the DVBS at church is beginning and our prayer is for fruit that will glorify God's name in all these evangelistic efforts which will keep us busy until the middle of August. We are counting on your offerings and prayer support to make it all a reality.
