

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

SIXTY-FIVE YEARS AGO

*They said they'd find their way together,
True companions of the heart in fair and stormy weather.
They said they'd help each other out and cheer each other on,
They said they'd be each other's strength to always lean upon.
They said they'd make each other whole - they'd live their lives as one.
And everything they said they'd do so long ago,
they've done.*

ONLY BY GOD'S GRACE - As two 18 year olds, headed back to Bible College for our second year, we joined our hearts and lives to serve the Lord on the mission field. We didn't know what was ahead of us, but God did and gave us the grace to keep on keeping on when things got tough. We didn't know this involved burying two of our children, moving half way around the world as we changed fields from Uruguay to Spain, dealing with cancer in another of our children, kidney failure and dialysis for Carolyn, then a transplant, now dealing with Parkinson's Disease on my part etc. yet here again God's grace proved to be sufficient for all He allowed to happen. **HIS MERCY AND GRACE ARE ALL SUFFICIENT.**

Little by little, Spain is getting back into what they are calling the **"New Normal."** Our church is meeting with 75% of its capacity now. Everyone has to wear a face mask. Our first three weeks of summer camps will be done on Zoom since it is not possible to adapt our camp facilities to all the new rules. We will try to have two Family Retreats the last two weeks of August if the rules have been relaxed sufficiently. This will be the first time in 42 years we have not been able to have regular camps. God is in control and He can bless in spite of the circumstances. **PLEASE PRAY FOR CAMPS.**
