

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & friends:

October-November 2021

S

We are sorry we were unable to send out our prayer letter last month. Once again our health issues made it impossible. Three different times Carolyn had to be admitted to the hospital in Madrid. After doing all the tests available, **they were finally able to locate the bacteria that was causing the fever** and apply the correct antibiotic. Two weeks later, the fever came back but this time it was a urinary infection. So back to the hospital, this time in Guadalajara. While there, one of the cysts in her

P

liver ruptured flooding her liver with all the infection it contained. She is finally home with heavy doses of antibiotic. Please continue to pray for her as she is very weak. My health is basically the same with the ups and downs of Parkinson's.

A

We don't know if they are talking about it on the news in the USA but a real tragedy has struck one of the Canary Islands. This is a group of islands that belong to Spain located off the southwestern tip of the country. They have had a volcano that has been erupting since September and continues to do so. Over **7500 people** have lost their homes and businesses as the lava continues to cover the island. There is very little Gospel being preached in any of these islands. **What a great need there is still in Spain.**

I

N

The second week of October, Pastor Angel decided to host a regional youth meeting out at the camp grounds. **A total of 128 people** showed up, 105 of them young people accompanied by their pastors and wives. We were surprised to see how anxious these kids were to be at camp. As you know, many of them were not able to attend camp this summer due to the Covid restrictions. We praise the Lord for having provided this property and look forward to what God will do this coming summer.

In the local church things are pretty well back to normal with all our regular activities back in place. The choir has begun to practice once again and hope to be able to present a cantata this Christmas. We still have to wear a mask and no hugging or kissing but at least we can meet together in sweet fellowship. The church is basically full every Sunday and we are so thankful for what the Lord is doing and especially through Pastor Angel and his wife as they lead the church.
