Dear Pastor & Friends,

October, 2023

One of the hardest things for a missionary is being far away from family for long periods of time. We were doubly blessed in the middle of September by a visit from our son David & family (only one day) when we were able to meet and hold Willow, our newest great-granddaughter (9 months old). Not only that, but we met Ian for the first time. He is Willow's dad and husband of our grand-daughter Natalie.

Grandkids are great but the **great-grandkids** are just something special! She is number 3 for us. Thank you Lord for this privilege to be with part of our family even though it was a very short visit. **God is so good!**

Also wanted to share another blessing. Ephesians 3:20 says “Now unto him that is able to do exceeding abundantly above all that we ask or think.....”. This week it was time to renew my (Carolyn) Spanish driver's license. Last time they gave me three years - I was only asking God for at least one more year. And yet, as He always does, He gave me exceeding abundantly more than I could ask or think and I now have **THREE MORE YEARS!** That means I will be 90 when it expires! I may have to turn it in before that. I promised the Lord that when I come to the place that I feel I can no longer drive safely, I will give it up. He knows what is best. Please continue to pray for Jack, our son-in-law. He has finished the intensive radiation treatments and so far has had few side effects. He will visit the doctor once more this week for the final results. Again we say **God is so good!**
