

# BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

Feb. & Mar., 2022

Our hearts go out to the people in the Ukraine as they suffer the consequences of this terrible conflict. There are over 100,000 Ukrainians already living in Spain as well as many thousands of Romanians. We don't know how it will all affect Europe, but no doubt we will all feel it. There are many Baptist churches in the Ukraine and we must hold them up in prayer.

God is blessing in the local church here. A couple of weeks ago we had 77 in attendance on just a regular Sunday morning and had to put out extra chairs to accommodate the people. Last Sunday we had another full house. We are still wearing masks and no handshaking etc. but in spite of the COVID, things are moving along. That particular Sunday we had a family of 6 who came down with the virus and also another family of 2. They are all recuperated now but the virus is still with us and we don't know for how long.

We have had to make another change in our Home Health Care workers. It is hard to find dedicated men who can take care of my needs adequately. We sincerely believe that God has sent the ones we have now and just pray that things can settle down for awhile and we can still keep living in our home with help. One of the caregivers (Jorge) has been with us for two years and he and his family are now members of our church. He preached his first sermon this last Sunday. We are not sure what God has in store in the future for this family. He is now enrolled in the Bible Institute.

Carolyn had two prothesis placed in her polycystic liver back in October. The doctor decided to remove them in February with only a one-night stay in the hospital so we thank the Lord for that. In a recent letter from a missionary friend about our age he said and I quote “We are still flying, but lower and slower”. We are in the process of renewing my permanent residence papers for the next three years and don't foresee having any problem. Thanks for praying. We need your prayers constantly in all that we attempt to do. Thank you for partnering with us.
