

# BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

August 2021

**Teen camp 2021, 1 saved**

**Teens from our church  
who attended.**

**Able to drive after 4 months!**

We are happy to report that Summer camps at MCCB are in full swing. This week will be the camp for older young people (20-35) and then family camp the last week of August. Those who are in charge are following the restrictions concerning Covid and only had to send one camper home who tested positive. In teen camp there was one young lady saved (Valentina), a classmate one of our teens had invited. She gave her public testimony last Sunday in church. **So far 19 have been saved.** One of our helpers brought his drone and for the first time we have an aerial view of camp. That has been our dream for many years but could never afford it. There is a video (11 min.) of teen camp and you can also see the the footage of camp. We highly recommend watching it. It is in Spanish, but it is self-explanatory ([www.mccbautista.com](http://www.mccbautista.com)). Another of the helpers was able to repair the dumper that has been out of commission since the accident in children's camp. We are so thankful for each one who has sent special offerings for the accumulated debt and we will respond to each one with a personal letter. So glad you are there for us at this time.
